SERVICE NOTES

T.E.C. (Teens Encounter Christ) is using our church this weekend.

In view of that:

- 1) there will not be any fellowship before church and after church it will be served south of church under the canopy, and
- 2) as they will be using our sanctuary tonight for their closing worship service, the Council is encouraging our members to worship at Bethel CRC this evening.

Next Sunday morning, Pastor Erik Kamp will be leading us in worship. Please see the related article in the supplement.

Having met with the Elders, the following young people will be making Public Profession of their Faith next Sunday:

Kyle Branderhorst

Jaren De Bruin

THANKS

The TEC Council, adult workers, student workers and candidates of TEC #75 wish to express a sincere THANK YOU to our friends in Christ at First CRC Oskey!!! Your generosity in allowing us the use of your facilities not only this weekend, but for several Sunday afternoon meetings is very much appreciated. The lives of many teenagers have been changed forever this weekend and God’s kingdom has been furthered. This can only be done when we, His followers, humble ourselves and allow Him to work through us. You, as a congregation, were an integral part of His plan for this TEC weekend by opening your facilities so graciously to us. Your vision statement “to glorify God through meaningful worship, Biblical teaching and loving fellowship, which encourages service in Christ” was lived out this weekend! Thank you again!! **In Christ’s Love, TEC #75**
