### SERVICE NOTES

From Pella Pro-Life: Today is Sanctity of Human Life Sunday. Statistics compiled by Worldometers show that abortion was the leading cause of death worldwide in 2021, killing 42.6 million people. In America, just under 1 million babies are aborted every year. 63 million babies have been killed in the U.S. since Roe v. Wade in 1973. Today we celebrate God's gift of Life, commemorate the lives lost, and commit to protecting Life at every stage.
